Salvation - According to United Pentecostal Church belief, salvation requires repentance from sin, water baptism in the name of Jesus for the remission of sins, and baptism in the Holy Ghost, then living a godly life.

Tongues - "Speaking in tongues means speaking miraculously in a language unknown to the speaker." Initial speaking in tongues indicates baptism in the Holy Spirit.

Subsequent speaking in tongues in church meetings is a public message which must be interpreted.

Sacraments - The United Pentecostal Church requires water baptism as a condition for salvation, and the formula is "... in the name of Jesus," not in the name of the Father, Son, and Holy Spirit

Worship Service - UPCI services are spirit-filled and lively, with members shouting, singing, raising their hands in praise, clapping, dancing, testifying, and speaking in tongues. Instrumental music also plays a key role... People are also anointed with oil for divine healing.

Divine Healing - The UPCI believes the healing ministry of Christ continues on earth today.
